

15th ANNUAL CONFERENCE

15th – 17th November 2002

at International House London

The venue is in the heart of London, one of the largest business and financial centres in the world: the West End, Hyde Park, Buckingham Palace are all a few minutes' walk away.

This year's conference will have the usual format:

- ? Opening Ceremony and Plenary address on the Friday night, followed by a wine reception.
- ? Presentations and workshops all day Saturday and up to lunchtime on Sunday.
- ? BESIG Annual General Meeting.
- ? Publishers' exhibitions and presentations.
- ? Saturday luncheon buffet and evening social event.

Space is limited, however: the emphasis will therefore be on more sessions in workshops and presentations in smaller groups rather than plenaries.

Registration will begin in June after we have received the bulk of proposals from speakers. Speakers proposal forms and further details will be available shortly on this website.
