

## BESIG 2008 Conference Hotel Information

July 2008

Dear Conference Delegates,

The Accommodations Team have put together this list of hotels for you; they are listed in the order of their proximity to the conference venue and all prices include breakfast.

Sankt Augustin is situated between Siegburg and Bonn. Express trains from both Frankfurt and Cologne airports stop in Siegburg, which is only a 5-minute tram ride from Sankt Augustin. For those who prefer to stay in Bonn, please note that you'll need to plan 20 minutes for the tram ride to Sankt Augustin from there.

The tram stop for the conference is called **Sankt Augustin Markt**. You will need between 5 and 10 minutes to walk from the stop to the conference venue.

We look forward to welcoming you to BESIG in November !
