

## **Thank-You Note from Conference Organisers**

Dear members of the BESIG Committee, dear participants and presenters at the 2<sup>nd</sup> International Conference “*Teaching Business English in Eastern Europe: Why and How?*”,

On behalf of Dnipropetrovsk University of Economics and Law, Yalta University of Management and in my own name I wish to thank all of you, everyone who came from many places and countries, for your personal contribution to the event. Your active participation in sessions and workshops, your bright ideas and professional experience have been a great contribution to the development of Ukrainian and, I hope, international practice of teaching Business English!

Our special thanks are due to the BESIG Committee for allocating special funding to support the event.

I do hope that this second international conference held in Ukraine under the same title will be followed by the third one, thus becoming traditional!

I look forward to our fruitful and mutually beneficial cooperation.

Rector of Dnipropetrovsk University of Economics and Law,  
Head of the Conference Organising Committee,
